**Re: Venezuela Government International Bond Regs Coupon 7.750% (“Bond”)  
Security No.: P97475AN0  
Notice of Claim**

Dear Sir/Madam:

On or about May 5, 2017, I purchased the above-referenced Bonds with a total par value of \$180,000. Pursuant to the Bonds’ prospectus, the Bolivarian Republic of Venezuela (“Republic”) was to pay me interest semiannually on October 13 and April 13 of each year, from the issue date of October 13, 2009, at the rate of 7.750% per annum. In breach of the prospectus contract, the Republic has at all times failed to make any payments on the Bonds to me, principal, interest or otherwise. Demand is hereby made that the Republic immediately remit to me the principal and all interest accrued on the Bonds from October 13, 2009, said principal and interest being currently due and owing.

Very truly yours,
